

# Trunk or Treat Sponsor

Set up time: 3:30 to 4 pm

Prepare to give out candy to 200-300 participants

We recommend little bags so that you can control the amount of candy given & to insert your business information

We are also accepting bags of treats for those going through our Not-So-Scary Hallway if you are unable to attend with a decorated trunk.

Participants thin out around 6 pm when it starts getting dark.
